

# NIHSDA ASSOCIATE MEMBERSHIP

## Who We Are

The National Indian Head Start Directors Association (NIHSDA) is the ONLY national organization which represents American Indian and Alaska Native Head Start/Early Head Start programs exclusively. The Association through its activities serves approximately 6,627 staff representing 150 Indian Head Start/Early Head Start federally funded programs operating within 26 states. Prevalently, the services provided are remote, isolated, and are a substantial distance from major metropolitan areas.

We know you have many choices of membership to early childhood education organizations, we would like you to consider NIHSDA as our concentration is on AIAI Head Start/Early Head Start Programs.
