The National Indian Head Start Directors Association (NIHSDA) will be having our 29<sup>th</sup> Management conference June 24-27, 2019 at the Talking Stick Resort in Scottsdale, AZ. Our theme is “Discover your Journey.”

NIHSDA is committed to providing AIAN grantees with multiple opportunities for training, collaboration, advocacy, and maintaining a strong and effective relationship with the Office of Head Start. Our annual management conference provides opportunities to enhance professional skills, leadership abilities, promote advocacy and increased networking among peers.

In order for many of our grantees to participate, the registration fees will barely cover the technical portion of the conference. Considerable donations will be required to provide grantees with a rich and culturally relevant experience.

We are asking for your help in making this a successful and memorable event for the 400 plus participants that include Tribal leaders, Head Start Directors, management staff, Policy Council and future Head Start leadership from across the nation.

In past conferences, Tribes have sponsored cultural dinners, cultural performances (dance/drumming), contributed transportation for access to museums and casinos, and donated art work, or items for our raffle and silent auction.

Donation checks should be made payable to “NIHSDA” and mailed to P.O. Box 6058, Norman, OK 73070.

Thank you for considering our request. If you have any questions or need further information, please feel free to contact our Management Consultant Service, Teri Stringer at 405-360-2919.

Respectfully,

Tina Routh  
President  
National Indian Head Start Directors Association
